Chris Oliver

Date of Birth : 03.11.1967 in Graz

Not every great voice is suitable for any style of music. But everybody who has experienced Chris Oliver live knows that he is the Voice of Swing.

In 2010 the singer and latecomer decided to finally "Now or Never" go pro! From the very start he clearly stayed true to himself and his authentic music only.

Now he enjoys having made this decision day after day. While he experiences first hand and with delight how this music from another century touches people's hearts.

Come find your joy in this genre yourself and feel the Chris Oliver Swing skin tight. This crooner transforms your event into an unforgettable experience. That is his claim to life. No more and no less...
